MEXICO GIVES WAY TO U. S. DEMANDS

Will Salute American Flag In Apology For Tampico Incident.

Powers' Representatives Advised Huerta To Back Down At Once.

(By Times Special Wire.) Washington, April 16.—Huerta has promised Charge O'Shaughnessy to give the American flag in apology for the arrest of U. S. bluejackets at Tampico. The only condition attached was that the American ships be free to sail in the Gulf. The news was received at the White House to-day, just as President of the United States and Acting Chairman of the Senate Foreign Relations Committee went into conference with President Wilson. United States changed his mind, and the crisis promises to pass over within the next twenty-four hours. With similar faces, Senator Shively and Secretary Bryan came from the White House conference. "The President has some very interesting news," said Senator Shively. "The situation is highly encouraging," said Secretary Bryan. Then it was made known that despatches from Charge O'Shaughnessy described his conference with Huerta last night as very cordial and satisfactory, and officials, it is said, were convinced that unless the charge had misinterpreted Huerta's intentions, there was no doubt that compliance would be made. (Continued on Page 3.)

WILL ANSWER EVERY CHARGE BY ALDERMEN

City Engineer is Not Worrying. Neither is Secretary Brennan.

City Engineer Maclean this morning submitted the report of the Special Investigating Committee of the City Council and the work of verifying the charges recorded by the committee in their report, was handed over to the different departments. The charges, with instructions to prepare replies giving full explanations as to why these costs varied in many instances, Mr. Maclean undertook to answer the work would be completed. The report in answer to the committee would have to be prepared, and arrangements made to open the books to a moment's notice. In any particular case without hesitation. When this had been done, the Mayor will be called to call the next meeting of the committee.

STOLE HIS WATCH After Being Treated by the Owner.

William Spratt, Mountain street, Dundas, visited this city yesterday and he had an experience by which he will remember the visit for some time to come. He went to the Terminal Hotel, and there he met four men, who proclaimed themselves old friends of his. Drinks were ordered many times, and when the men and so did his \$12 watch, which he missed later. The police have an idea who the guilty parties are, and an arrest is expected.

PECULIAR DEATH Beamsville Man Jolted in Front of Own Horse.

George Smith, a well-known and highly respected resident of Beamsville, expired at the City Hospital yesterday afternoon. He was 62 years of age, and had been a resident of Beamsville for many years. He was a well-known figure in the community, and his death was a great loss to the town. The cause of death was a heart attack, which occurred while he was standing in front of his horse. The horse was startled, and the man was thrown to the ground. He was taken to the hospital, but he died before he could be revived.

After a chase lasting several blocks and in which Constable Price distinguished himself, Arthur Kavanagh, 405 Victoria avenue north, was caught and placed in a cell at Central police station at a late hour last night. Kavanagh, it will be remembered, was the man who was found guilty some time ago of entering the "Waldorf Hotel and in a similar manner, and the theft there for a large sum of money. He was allowed out on deferred sentence. Last night, he was caught again. He was found on a street, and he was taken to the station. He was found on a street, and he was taken to the station. OLD MEN TO BE REFUSED WORK

City Decides On That As a Result of Increase.

T. H. & B. REMOVAL Will Come Up In May At the Supreme Court.

Men who have grown old in the city service as laborers will have to look elsewhere for work late in May. This will be because of the minimum wage rate of 25 cents per hour, carried by the City Council some months ago. The old men, who have been working for many years, will find it difficult to get work at the new rate. The City Council has decided that they will not be allowed to work at the old rate. This will be a great hardship on them, but the City Council has decided that they will not be allowed to work at the old rate.

APPENDICITIS Seems to be Invading the Police Force Now

The officers on duty at the Central Police Station this morning, looking quite a shock when Constable Galt, one of the most popular members of the force, tottered in from his bed, and almost collapsed. He was taken to his home, where he was treated for appendicitis. He was taken to his home, where he was treated for appendicitis. He was taken to his home, where he was treated for appendicitis.

Dougherty, Gilhooley and Dudley Are Here

Athletics Will Play Here With Local Team August 12

Final Arrangements Made Yesterday—Donahue, Dougherty and Dudley Have Arrived.

The Philadelphia Athletics, world's baseball champions, will be an attraction here this season, according to an announcement made yesterday by Business Manager Robert Kerr. The Athletics promised to come here some time this summer for an exhibition game, but up until yesterday they had failed to arrive on a date suitable to both teams. The date has been set on August 12, and the world's champions will be here for sure.

The other exhibition games that have been arranged are not likely to be played on account of having no grounds, but if the diamond at Britannia Park is fixed up in time there is a slight chance of one or two being pulled off.

Patry Dougherty, Bill Donahue and Dudley arrived in town yesterday and will be out at the ball park for the next practice, which will likely be held on Friday or Saturday, as the wet weather of to-day put the grounds in bad condition and made practice impossible. Donahue arrived in town yesterday afternoon and judging from appearances, Billy is in the best of condition. Dougherty and Dudley arrived last night, and both men are ready to jump into the game at any moment. With these three players on hand and the three that arrived from Baltimore yesterday, the roster at the present time is as follows:

Donahue, pitcher.
Dougherty, pitcher.
Larington, catcher.
Hansone, catcher.
Dolan, first baseman.
Dudley, first baseman and outfielder.
McLeod, second baseman.
Weine, shortstop.
Gauke, shortstop.
Broadbent, third baseman.
Hawley, third baseman.
Harrow, outfielder.

Gilhooley has sent along word that he has left for Hamilton and should arrive here some time this morning. It stopped off at Buffalo for a day to renew old acquaintances.

There is not likely to be any exhibition games played here this season, and if there are any staged it will be before the league opens. It has been stated that several exhibition games had been arranged, but Manager Yates stated this morning that there was no sense in arranging exhibition games when they can be had here any time after a dozen men on hand.

With more than a dozen men on hand, Manager Yates intends to get down to real practice just as soon as the diamond is fixed up, and he will get down to real practice. "Bud" McLeod, the local boy, is showing up pretty well, and is getting on the band with the best of the aggregation that has been out so far this week.

Manager Yates is well satisfied with his present pitching staff, and he is going to give Evans, the Detroit pitcher, a chance to show what he can do. It is expected that he will be here for some time.

Tulsa Track Now in Charge of Militia
Soldiers Fire Shots Over Heads of Horses in First Race.

Tulsa, Okla., April 16.—Disregarding a restraining order issued by Judge M. A. Breckenridge, of the Superior Court, state troops yesterday took possession of the Tulsa track grounds, prohibiting any further racing law by Gov. Le Crue, and when an attempt was made to run the races carried for the afternoon fired a volley over the heads of the jockeys.

With this show of force, the declaration of Frank M. Canton, adjutant-general, who was in personal command of the troops, that the militia would fire the shot over the heads of the Tulsa jockey Club ordered the morning race meeting, which began Monday, abandoned, at least temporarily.

To-day's action culminated a contest over the right of "bookmakers" to operate at the track. Open betting was permitted Monday, and that night application was filed by county officials before District Judge L. M. Poe, asking that an injunction be issued prohibiting the placing of wagers, over night the proclamation declaring the track under martial law was issued. What will be the next move on the part of the jockey Club to test the legality of the order declaring martial law has not been determined. Preparations had been made to apply to the Court of Common Appeals in Oklahoma City for writs of habeas corpus in behalf of the three men arrested to-day, but the release of the men arrived.

It is the intention of the new manager to carry but one southpaw, and this is Dougherty, but if Evans shows anything, he will also be carried. Donahue, Dwyer, Dolan and the manager himself will likely make up the pitching staff for this season.

Harry Corn, the crack centerfielder, has not arrived as yet, but he is expected to be on hand in a day or two. Dwyer will get into this morning some time, and Dolan, the pitcher, is expected to arrive before the week is over, and by Saturday every man that has signed up, with the exception of Walmsley, should be on hand.

London Free Press: While there was no game here this afternoon because the college nine and the local baseball club the players were in no way idle, as both morning and afternoon was devoted to indoor workouts of the most strenuous order.

Basket ball, devoid of all rules, was played and considerable "rassling" was indulged in.

The weather man has promised a bright, sunny day to-morrow and with the arrival of Outfielder Lamy, of Saratoga Lake, N.Y., famous for his speed, skating and baseball slugging ability, the game with the college team is looked forward to.

Manager Reeling released three players tonight, the ace falling on first baseman Matty, infielder Ryner and Outfielder Williams. The latter has not been well since he returned and his difficulties were added to last week when he sprained his ankle. He has been out of practice but once since the club returned here on Sunday.

Pitcher Carlo Hammond was robbed of a small amount of money while he was engaged in the workout at the ball park this afternoon, someone having rifled his clothes in the locker.

Mrs. Reeling and children arrived to spend a day or two in the camp. Manager Reeling will take up his residence in London with his family about the second week of June.

Regarding statements made by Manager Deane, of the Bradford club, and London leader stated that he is not worrying about what is said. "I am fully engaged with the team and will not let them get into line," he said, "and am satisfied to let them do the talking."

Pitcher Bill Kelly who is from Boston last night and went to Charlotte to join Manager Graves' camp at noon today. Roy Wilkinson, the Saint John twirler, passed through St. John's last night on the Michigan Central en route to one training camp.

This makes no less than six players who have been in the camp, the job, besides a recruit or two. President Stanley stated tonight that he was well pleased with the progress of the camp. With Hughes, Wilkinson, Clements, Horvick, Knoble and Reeling, the big first baseman bought from the Saginaw Club, has been heard from and it is expected he will join the team before the end of the week.

This only leaves Forge, Nevitt and Wild Bill Baker to come in. Forge has been in the camp, but has not yet been seen. He is a tacker of gallop and will leave here Friday with Secretary Chant. Nevitt's engagement as athletic trainer at the sanitarium in Battle Creek will keep him out of the camp for some time, but he is expected to arrive here before the end of the week.

The local Baker, is a holdout. To-night made necessary the abandonment of this plan. Officials of the club and their attorneys were in town for several hours, but were unable to get the Baker to return.

Two companies of militia were employed to-day in stopping the races. The standards were cleared of operators and the races ordered discontinued. Ten horses entered in the first race, however, were sent to the post, the starter lost no time in dropping the barrier, and as the horses entered the stretch the militia opened fire over the heads of the jockeys.

P. M. Stoney, a city detective, a stableboy who attempted to lead a horse from the track, and a spectator were taken into custody. The latter, Baker, is a holdout.

Three Games In the Major Leagues Yesterday

Only Three Games Played in Major Leagues Yesterday

Cleveland Loses Another But Boston Turned Tables on Washington.

Chicago, April 15.—Timely hitting by Chicago, coupled with the sensational fielding of Weaver, enabled the locals to make it two straight from Cleveland to-day, 2 to 1. The game was a pitchers' battle between Cicotte and Stoen.

In the eighth inning, Weaver, of Chicago, tripled, and Coach Gile stepped into the infield and held the runner on third. Weaver was declared out by Umpire Sheridan. This is in accordance with the new amendment to the rules.

In the seventh inning Pitcher Stoen, of the Cleveland Club, was hit on the knuckle of his pitching hand by Cicotte and was compelled to retire. It was said after the game that it would be some time before he could play again. Stoen said he thought his knuckle was broken. Score: R. H. E. Cleveland 00001660—7 2 Chicago 00000100—2 1

Stoen, Greig and O'Neil, Cicotte and Schatz were on the mound for Cleveland. Score: R. H. E. Cleveland 00001660—7 2 Chicago 00000100—2 1

Boston, April 15.—Evermore, of Griffith was glad when the afternoon's game between the Senators and the Sox was concluded. He was the only man being on the "frigid field" of battle, but all his work failed to induce hitting ability into his team, consequently Boston won 2 to 1. A thermometer in the grand stand registered five degrees above freezing.

At Kansas City, Mo., April 15.—George Stovall, manager of the Kansas City Federal League club, who induced Hamilton to leave the Athletics last week, said he would not believe Hamilton had jumped the Kansas City Federal until he had definite information from the pitcher himself.

To secure Hamilton, Stovall offered a five thousand dollar bonus and a three-year contract for a total of \$15,000. The pitcher came here and worked out at Federal League park. He was in such good condition, Stovall decided to use him in the opening game.

The wedding ceremony took place in the drawing room, which was effectively decorated with palms and ferns, pink anemones and gladioli. The groom was in a tuxedo, and carried a white boutonniere. The ceremony was conducted by Rev. Archibald Davidson, of Guelph, assisted by Rev. R. J. Macdonald, of St. John's Church, Hamilton. The bride's father, Mr. Hunt, was a successful businessman, and the groom, Mr. Whitehall, was a professional man. The wedding was a private affair, and only close friends and relatives were invited.
